

MIAMI 21 PUBLIC MEETINGS

WHAT IS MIAMI 21?

Miami 21 is a complete re-write of the City's zoning code regulations. Zoning regulations control the physical development of land and the kinds of uses (for example: residential, commercial, etc.) allowed within each property. Miami 21 is a long-term plan to preserve and improve the quality-of-life of our City and our residents. Miami 21 focuses on a more improved mix of housing, commercial and retail uses, creates transit and pedestrian oriented communities, and preserves open space, which are referred to as "smart-growth."

WHAT IS THE PURPOSE OF THE PUBLIC MEETINGS?

The purpose of the public meetings is to provide general information about Miami 21 to all stakeholders and answer questions about the project and how it will relate to your neighborhood.

WHY SHOULD I PARTICIPATE?

This is your City, this is your plan. All City residents, property and business owners are encouraged to participate. This is your opportunity to learn more about this project, understand your zoning, and help plan the future of your community.

WHEN WILL THE MEETINGS HAPPEN IN MY AREA?

Please see reverse side for a list of meetings.
